

13th ICLEI 2019

INTERNATIONAL CONFERENCE ON LANGUAGE,
EDUCATION, AND INNOVATION

CALLING FOR PAPERS

The 13th International Conference on Language, Education and Innovation (ICLEI) 2019 is a multi-disciplinary forum discussing theories, research findings and new ideas in the fields of arts, humanities, and social sciences.

After successful events in locations such as Singapore, Bangkok and Dubai, the ICLEI series returns to Europe with an event at The Cumberland, an iconic hotel near Hyde Park in the city of London.

30-31 JANUARY

The Cumberland Hotel
LONDON

Keynote Speaker

Dr. Pamela Rogerson-Revell
University of Leicester, England

Dr. Pamela Rogerson-Revell is an applied linguist with particular research and teaching interests in the areas of phonology and pronunciation teaching; English as an international language (EIL) and Technology Enhanced Language Learning (TELL).

She has recently finished co-authoring a book 'Teaching and Researching Pronunciation: Contemporary Perspectives' (Pennington and Rogerson-Revell, 2019, Palgrave Macmillan). She is also involved in a two-year funded research project investigating pronunciation teachers' cognition and practice, with co-investigator Dr Wafa Zoghbor at Zayed University, United Arab Emirates.

About ICSAI

Who We Are

ICSAI is a platform for academicians and researchers to share findings in the field of science, arts and innovation from various fields including inter-disciplinary and multi-disciplinary perspectives. At ICSAI, we aim to create an ideal environment for the discussion, exploration and reflection of key issues that are shaping the world through our series of conferences and publications.

Our Mission

We at ICSAI will achieve our vision by encouraging and involving academicians from all disciplines to participate in the academic discourse and enhancing innovation for the benefit of the country and humankind. At the same time, our mission is to promote local ideas and culture to the international platform and to inculcate good values and moderation for a balanced and harmonious future.
