Keynote Speaker

Danica Čerče is an Associate Professor of Literatures in English, teaching English at the Faculty of Economics, University of Ljubljana in Slovenia. Čerče has participated in a number of international conferences as a panelist, a keynote speaker, a member of Conference Steering Committee and Advisory Board, and has given lectures and conducted courses at several foreign universities, most recently at the University of Georgia in the United States. She serves on the Editorial Board of Coolabah and Steinbeck Review, and is a Vice President of the International Society of Steinbeck Scholars.

Her research interests include the 20th century American literature, contemporary Black and Native American playwriting, Indigenous Australian literature, and translation studies. She is the author of three monograph publications, several book chapters in edited collections, including *A Companion to Aboriginal Literature* (2013), *Transculturation and Aesthetics: Ambivalence, Power, and Literature* (2014), *Symphony and Song: The Intersection of Words and Music* (2016), *Critical Insights: Of Mice and Men* (2017), *Comparative Literature as a Critical Approach* (2017), and has contributed articles to several Slovene and foreign academic journals.

About ICSAI

Who We Are

ICSAI is a platform for academicians and researchers to share findings in the field of science, arts and innovation from various fields including inter-disciplinary and multi-disciplinary perspectives. At ICSAI, we aim to create an ideal environment for the discussion, exploration and reflection of key issues that are shaping the world through our series of conferences and publications.

Our Mission

We at ICSAI will achieve our vision by encouraging and involving academicians from all disciplines to participate in the academic discourse and enhancing innovation for the benefit of the country and humankind. At the same time, our mission is to promote local ideas and culture to the international platform and to inculcate good values and moderation for a balanced and harmonious future.
